Newquay

With its reputation for stretching golden sandy beaches, world-class surf, and a laid-back beach atmosphere that permeates throughout the town, it's no surprise that Newquay is such a popular destination for both homeowners and holiday-makers.

Sitting atop the north Cornish cliffs looking out towards the Atlantic Ocean, Newquay offers some of the most beautiful coastal scenery in Cornwall. From the working harbour bringing in the day's catch, to days spent in the surf at Fistral Beach, or evenings watching the sunset from the bar, life in Newquay is all about taking advantage of its stunning coastal location.

The town offers everything you could need to enjoy some slow-paced coastal living. Cosy boutique cafes line the streets, and walks around the lake in Trenance Gardens or kayaking in the calm waters of the Gannel Estuary provide a calm opportunity to enjoy the outdoors. Families can take advantage of the centrally located cinema, zoo and aquarium, and the adventurous can enjoy some of the best surfing in Cornwall alongside an evening buzz that could rival anywhere in the UK.
